## Construction Skills Learning Centre Apprentices - building the future ...

We are looking for employers who can offer young construction apprentices aged 16 - 19 the opportunity to gain quality on-site work experience and collect site evidence.

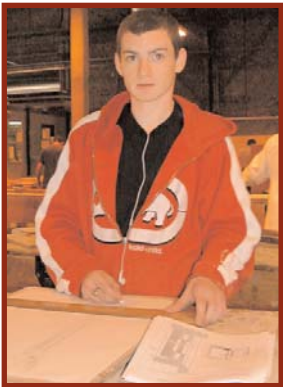

Leeds City Council provide quality apprenticeship training delivered by our professional construction team in the following skill areas:

- **Carpentry & Joinery (Wood Occupations)**
- **Brickwork (Trowel Occupations)**
- **Plastering**
- **Painting & Decorating**

**Our Apprentices have already gained:**

- a college place funded by the Learning and Skills Council (LSC)
- a red trainee card and are working towards NVQ Level 2 in their chosen skill area
- Manual Handling and Health & Safety certification
- a full induction into the construction industry
- Skills for Life and Key Skills certification (or working towards this)

**By choosing a Construction Skills Learning Centre Apprentice, you can be assured that we will:**

- match the apprentice to meet your specific recruitment needs
- support the employer throughout the work experience placement
- provide dedicated and experienced staff to oversee the supervision of the apprentice
- administer all necessary paperwork ie. Health & Safety, Risk Assessment and placement documentation and advise on insurance requirements
- provide all the apprentice's Personal Protective Equipment (PPE)

to find out more information on how we can help you (without obligation) contact the **Construction Skills Learning Centre** on
